

EXCLUSIVE CIRCUS DINNER

Contemporary circus for exclusive dinners
and events in the Swiss Alps

Mia Leiggener & Leona Jakob

A performance experience that unfolds between courses

Short, carefully timed performances transform dinner into an experience. Aerial acts bring elegance, height and intimacy. Fire creates a powerful welcome or finale outdoors or in a suitable indoor setting. We adapt the programme, music and costumes to the character of each venue.

Created by two Swiss artists. Modular by design. For hotel guests, private celebrations and corporate events.

A format designed around the venue

AERIAL

Aerial hoop or silks as a focused stage act between courses.

FIRE

Solo or duo performance as a welcome, outdoor intervention or finale.

DINNER EXPERIENCE

Several short appearances create a narrative arc across the evening.
